About Us

Welcome to Lido Grocery Store at Uly Dala 31. The Lido Grocery market has everything that is needed daily in any residential area. The products available include food, drinks, snacks, sweets, home care products, fresh fruits and vegetables, meat products, and other non-food items. The benefit of the Lido market is that you can go shopping at any time of day because the-store is operating around the clock 24/7.

Our Products

Lido has a big range of commodities offered in various departments. People may purchase dairy products, bread, beverages, frozen products, sweets, fruits, vegetables, meat, and cleaning materials. The supermarket also contains a section of non-food commodities such as toys, socks, and accessory items. More details on these sections can be found on the Products page.

Opening Hours

Lido Grocery Store is open 24/7, which makes it convenient for customers who need to buy groceries early in the morning, during the day, or late at night. The store can be used both for quick purchases and for larger everyday shopping.
